

Installation steps:

1. Fix the mounting bracket to the junction box with screws.
2. Connect the main wire and ground wire of the lamp body to the reserved wire on the junction box.
3-4. Cover the ceiling plate on the mounting bracket, and then tighten the nut to fix the ceiling plate.
5. Adjustable height of hanging wire up and down.
6. Install the bulb (not included).

Safety Information:

Please tum off the power before installation and read the manual carefully. Once the installation is complete, restore power to the electrical circuit and test the pendant light to ensure it is functioning properly. If the light does not turn on, double-check the wiring connections and circuit breaker/fuse box.We advise you to contact professional electricians to install it for safety purposes.
