1 × RGB Wall Sconce

1 × Accessories Kit

2 × Installation Manuals
(Fixture & Remote Control))

1 × RGB Remote Control

Installation Instructions

1, Secure the mounting bracket to the junction box using the provided mounting screws.

2, Use wire nuts to connect the house wires to the fixture wires.
Connect black (hot) wire to black
Connect white (neutral) wire to white
Connect the ground wire (green or bare copper) to the ground screw on the mounting bracket
Ensure all connections are secure and no copper wire is exposed.

3, Align the fixture with the mounting bracket and secure with provided screws.

4, Select the RGB colors via:
(1) Included remote control
(2) Smartphone APP (Scan the QR code on the fixture to download)
Note: Remove the plastic isolation tab from the remote's battery compartment before use.
